TONGJI UNIVERSITY

With One Heart, With One Will, With One Future
For the People, For the World, For the Same Planet

WELCOME TO TONGJI UNIVERSITY

A beacon of excellence and diversity.

The history of Tongji can be traced back to 1907 when the **German doctor Erich Paulun** founded the **German Medical School** with the support of both the Chinese and German governments. Tongji is considered one of the earliest national universities in China.

Located in **Shanghai**

One of the leading universities in China.

Established in **1907**, has a history of over **117 years**.

Under direct administration of Ministry of Education, listed on **“Project 985” “Project 211” and “Double First-Class Initiative”**.

Traditionally renowned in **Architecture** and **Civil Engineering**, and now prominent in **Arts & Design, Economics and Management, Environmental Engineering and Automobile Engineering**.

Our commitment to innovation is matched by our embrace of cultural richness, making Tongji not just a place to learn, but a community to experience the world. Together, we shape a brighter, inclusive future.
